

City of Wilkes-Barre 2024 Calendar Mayor George C. Brown

A MESSAGE FROM MAYOR GEORGE C. BROWN

I am honored to serve as your Mayor for another term. My administration weathered COVID-19 and its economic impact and by the conclusion of my first term, we exhibited significant financial and economic development progress for Wilkes-Barre.

Additionally, we were able to complete projects that serve to improve the sense of community which is the keystone of the city. The construction of the Public Square stage and lighting has improved the entertainment possibilities for the Downtown district while the construction of the Skatepark at Hollenback Park, the rehabilitation of Barney Farms Park, and the planned construction of another Special Needs Playground and refurbishment of the Bog Park in Miners Mills, will continue my administration's commitment to accessible recreation facilities for the city's families.

My goals for my second term are to strengthen the city's fiscal foundation and move Wilkes-Barre forward with a direction of ideas and infrastructure-supporting businesses and families well into the future.

I hope 2024 will bless you and your family with health, prosperity, and friendship.

The annual city calendar is a valuable tool which provides Wilkes-Barre's residents with information about: Garbage, Recycling, and Yard Waste Collection Schedules; Holidays and Special Events; City Hall Phone Directory, and more.

The calendar is also available on the city's website at www.wilkes-barre.city.

As with any calendar, curbside collection schedules and events are subject to change due to weather and/or available personnel.

Smoke Alarms at Home

SMOKE ALARMS ARE A KEY PART of a home fire escape plan. When there is a fire, smoke spreads fast. Working smoke alarms give you early warning so you can get outside quickly.

SAFETY TIPS

- Install smoke alarms in every bedroom. They should also be outside each sleeping area and on every level of the home. Install alarms in the basement.
- Large homes may need extra smoke alarms.
- It is best to use interconnected smoke alarms. When one smoke alarm sounds, they all sound.
- Test all smoke alarms at least once a month. Press the test button to be sure the alarm is working.
- Current alarms on the market employ different types of technology including multi-sensing, which could include smoke and carbon monoxide combined.
- Today's smoke alarms will be more technologically advanced to respond to a multitude of fire conditions, yet mitigate false alarms.
- A smoke alarm should be on the ceiling or high on a wall. Keep smoke alarms away from the kitchen to reduce false alarms. They should be at least 10 feet (3 meters) from the stove.
- People who are hard-of-hearing or deaf can use special alarms. These alarms have strobe lights and bed shakers.
- Replace all smoke alarms when they are 10 years old.

FACTS

- ❗ A closed door may slow the spread of smoke, heat, and fire.
- ❗ Smoke alarms should be installed inside every sleeping room, outside each separate sleeping area, and on every level. Smoke alarms should be connected so when one sounds, they all sound. Most homes do not have this level of protection.
- ❗ Roughly 3 out of 5 fire deaths happen in homes with no smoke alarms or no working smoke alarms.

SUMMER FIRE SAFETY CONCERNS

Barbecue Grills, Fire Pits, and Fire Places

- Each year, Wilkes-Barre's Fire Dept. responds to nearly two dozen open burning complaints and grill fires.
- The proper use of barbecue grills, outdoor fire pits, and fire places are outlined in the City's ordinances.
- Compliance is enforced by the Wilkes-Barre's Fire, Police, Health, and Code Enforcement Departments.
- Residents are asked to use barbecue grills, outdoor fire pits, and fire places responsibly and respectfully.

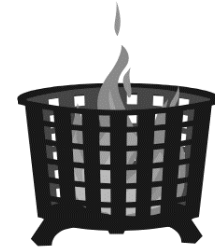

BARBECUE GRILLS

- A grill consists of either an electric, propane, charcoal, wood, or other heat source.
- May not be used on any common covered area, balcony, or over-hanging portion on any residential dwelling.
- May not be used within five (5) feet of any part of a residential dwelling.
- Penalties for violating the Barbecue Grill Ordinance range from \$300 to \$1,000

FIRE PITS & FIRE PLACES

- The fire must not constitute a nuisance.
- The fire must not be unattended.
- DO NOT use gasoline to start a fire
- The legal maximum size of an open fire is 1 ft high X 2 ft wide X 2 ft long
- Burn only clean, untreated wood in a commercially manufactured outdoor fire pit or outdoor fire place.
- The fire must be wholly contained in the fire pit and must be covered by a screen to control the emission of ash and embers.
- The fire must not be within 15 feet of combustible materials or adjacent property lines.
- There must not be more than one fire pit or fire place located on the lot.
- The fire must not be located on a lot containing more than two dwelling units or at a fraternity, sorority, or similar housing.
- The use of outdoor fire pits or fire places is not authorized between the hours of 12:00 AM and 6:00 AM.
- Open Burning penalties shall be subject to a fine of not more than \$250

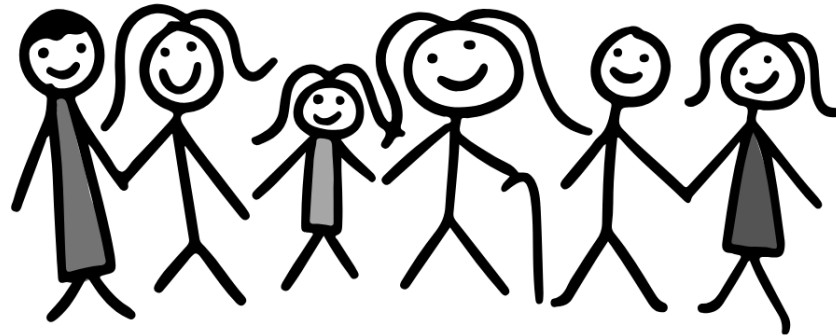

Even if the burning would otherwise be allowed, no open burning shall occur if, in the discretion of the Wilkes-Barre Fire Department, said burning constitutes a nuisance by representing a danger to the public safety, health, or welfare.

Smoke Alarms at Home

SMOKE ALARMS ARE A KEY PART of a home fire escape plan. When there is a fire, smoke spreads fast. Working smoke alarms give you early warning so you can get outside quickly.

SAFETY TIPS

- Install smoke alarms in every bedroom. They should also be outside each sleeping area and on every level of the home. Install alarms in the basement.
- Large homes may need extra smoke alarms.
- It is best to use interconnected smoke alarms. When one smoke alarm sounds, they all sound.
- Test all smoke alarms at least once a month. Press the test button to be sure the alarm is working.
- Current alarms on the market employ different types of technology including multi-sensing, which could include smoke and carbon monoxide combined.
- Today's smoke alarms will be more technologically advanced to respond to a multitude of fire conditions, yet mitigate false alarms.
- A smoke alarm should be on the ceiling or high on a wall. Keep smoke alarms away from the kitchen to reduce false alarms. They should be at least 10 feet (3 meters) from the stove.
- People who are hard-of-hearing or deaf can use special alarms. These alarms have strobe lights and bed shakers.
- Replace all smoke alarms when they are 10 years old.

FACTS

- ❗ A closed door may slow the spread of smoke, heat, and fire.
- ❗ Smoke alarms should be installed inside every sleeping room, outside each separate sleeping area, and on every level. Smoke alarms should be connected so when one sounds, they all sound. Most homes do not have this level of protection.
- ❗ Roughly 3 out of 5 fire deaths happen in homes with no smoke alarms or no working smoke alarms.

Recycling & Yard Waste Guidelines and Schedules

Please call the Department of Public Works at 570.208.4240 or the Mayor's Office at 570.208.4158 with questions about recycling and yard waste collection.

RECYCLING

In 2021, the City of Wilkes-Barre implemented Dual Stream Recycling. Dual Stream Recycling keeps paper and cardboard products separate from glass and plastic containers and metal cans. Some of the benefits of Dual Stream Recycling are less contamination, higher quality, and more valuable recovered material, and lower costs to process the collected recyclables. Paper and cardboard collection and plastic #1& 2, glass bottles, and metal can collection alternates each week on your neighborhood's collection day.

Recycling Curbside Pickup

All accepted recyclables must be placed into recycling bins distributed by the City or purchased by residents. Cardboard boxes must be flattened.
Please refer to the monthly calendar for regular and holiday schedules.

Pautas y horarios de reciclaje y desechos de jardín

Llame al Departamento de Obras Públicas al 570.208.4240 o a la Oficina del Alcalde al 570.208.4158 si tiene preguntas sobre reciclaje y recolección de desechos de jardín.

RECICLAJE

En 2021, la ciudad de Wilkes-Barre implementó reciclaje de doble flujo. Reciclaje de doble flujo mantiene los productos de papel y cartón separados de los envases de vidrio y plástico y de las latas de metal. Algunos de los beneficios del reciclaje de doble flujo son menos contaminación, mayor calidad y material recuperado más valioso, y menores costos para procesar los materiales reciclables recolectados. La recolección de papel y cartón y la recolección de plástico #1 y 2, botellas de vidrio y latas de metal se alternan cada semana el día de recolección de su vecindario.

Reciclaje de recogida en la acera

Todos los materiales reciclables aceptados deben colocarse en contenedores de reciclaje distribuidos por la Ciudad o comprados por los residentes.

Las cajas de cartón deben ser aplanadas.

Consulte el calendario mensual para conocer los horarios regulares y festivos.

Entrega de reciclaje en DPW

Entrega de reciclaje en DPW yarda, 3 Conyngham Avenue, Wilkes-Barre

SE REQUIERE comprobante de residencia en la ciudad de Wilkes-Barre

Horario: 8 AM a 2 PM, de lunes a viernes, excepto festivos

TODOS LOS ARTÍCULOS DE RECICLAJE ACEPTADOS DEBEN ESTAR EN CONTENEDORES TANTO PARA RECOGER COMO PARA DEJAR. ¡SIN BOLSAS DE PLÁSTICO!

Artículos de reciclaje aceptados para dejar la acera y dejarlos:

METAL, PLÁSTICO Y VIDRIO

Por favor, enjuague los recipientes para eliminar los alimentos y líquidos.

- Latas de aluminio y otros metales
- Solo botellas y frascos de vidrio residenciales (no hay vidrio de establecimientos comerciales)
- Bebidas, limpieza y otros envases de plástico con símbolos # 1 y # 2 **SOLAMENTE.** (Busque símbolos en el contenedor. Retire las bombas de botellas de pulverización)

PAPEL MIXTO

- Cartón (las cajas aplanadas deben estar en el contenedor) y bolsas de papel marrón
- Periódicos, revistas, catálogos, guías telefónicas y correo basura
- Suministros de oficina de papel: carpetas de manilla (*sin carpetas colgantes de metal*), facturas, papel blanco y de colores, cartulinas, tarjetas de índice y formularios autocopiativos.

Basura no aceptada y considerada:

- **Bolsas de plástico (comestibles, almacenamiento, basura)**
- Espuma de poliestireno, plástico de burbujas, etc. (# 3 a # 7 plásticos)
- Espejos, cristales de ventanas, tazas de cerámica, platos, etc. Bombas de botella de spray
- Envases de plástico para ensaladas y delicatessen contaminados por residuos de alimentos
- Platos, vasos y cubiertos desechables de plástico

- **Cajas de pizza (no reciclables debido a la contaminación por residuos de alimentos)**
- Servilletas y pañuelos desechables
- Copiar envoltorios de papel
- Libros de tapa dura
- Aglutinantes de 3 anillos
- CD, cintas de vídeo

DESECHOS DE JARDÍN

La recolección de desechos de jardín en la acera comienza el lunes 1 de abril y finaliza el viernes 6 de diciembre, excepto días festivos, el día de recolección en la acera de su vecindario.

LÍMITE DE 5 BOLSAS/CONTENEDORES DE DESECHOS DE JARDÍN POR HOGAR

Horario de entrega de desechos de jardín

Depósito de residuos de patio en DPW yarda, 3 Conyngham Avenue, Wilkes-Barre. Prueba de residencia en la ciudad de Wilkes-Barre **REQUERIDA**

Horario: de 8 a.m. a 2 p.m. de lunes a viernes, excepto feriados, desde el 1 de abril hasta el 6 de diciembre

TODOS LOS DESECHOS DE JARDÍN ACEPTADOS DEBEN ESTAR EN CONTENEDORES TANTO PARA RECOGER COMO PARA DEJAR. ¡ SIN BOLSAS DE PLÁSTICO!

Artículos de desecho de jardín aceptados para la acera y la entrega:

Recortes de césped Hojas desperdicio del jardín

¡LOS DESECHOS DEL JARDÍN DEBEN ESTAR EN UN CONTENEDOR!

Artículos no aceptados:

Artículos de desecho de jardín en bolsas de plástico recortes de árboles,

Recortes de trees, ramas o troncos residuos de jardín agrupados

Colección de árboles de Navidad en la acera: entre semana del 6 al 31 de enero de 2025 en su día habitual de recolección. Solo árboles vivos/reales. Retire todas las decoraciones, luces y bolsas de árboles.

****Las recogidas oportunas en la acera pueden retrasarse debido a la dotación de personal, las condiciones climáticas y/o el volumen de recogida.***
