

Diamond City

Community Clean-Up

Saturday, April 18
raindate: **Saturday, April 25**

Each year, hundreds of volunteers roll up their sleeves to clean city streets, collect thousands of tons of garbage and make the City of Wilkes-Barre a more beautiful place to live, work & enjoy.

Help us make the city sparkle:

- be a block captain:

coordinate efforts in your neighborhood

- volunteer your service/community group:
adopt-a-street!

We will supply bags, gloves,
safety vests & collections -
YOU supply the elbow grease!

Free Recycling:

- Waste oil - Antifreeze -
- Oil filters - Vehicle/Household batteries -
Drop off these items at the DPW yard
on Pennsylvania Avenue from April 18-25.
Courtesy of Hazleton Oil & Environmental

Drop-Off Site:

The Department of Public Works garage
(Pennsylvania Ave), will be open for
debris drop-off Monday-Saturday
from 8:00am to 3:00pm.

Volunteer Today!

Contact 208.4246 or 208.4121 to volunteer.

Please note that only those individuals or groups who register a clean-up site will receive supplies and debris removal. Upon registering, a debris removal location will be identified.
